*Of the \$5,950.00 received for the Ambulance, \$1,350.00 was an insurance settlement and \$4,600 was a gift.

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

(L. S.)

To the Inhabitants of the Town of Rye in the County of Rockingham in said State, qualified to vote in Town Affairs:

And to the Inhabitants of the School District in said Town of Rye, qualified to vote upon District Affairs, for the limited purpose of electing officers of the Rye School District at the annual Town Meeting, in accordance with procedures authorized by statute (RSA 197:1 a et. seq.) and adopted by the District at its March, 1962, annual meeting, under Article 2 of this warrant.

You are hereby notified to meet at the Town Hall in said Rye on Tuesday the tenth day of March, next at ten o'clock in the forenoon, to vote by ballot upon the following subjects:

1. Balloting
 - a. To choose all necessary Town Officers for the year ensuing.
 - b. To choose two delegates to the Constitutional Convention.
 - c. Shall Sweepstakes Tickets be sold in this Town?
2. To choose all necessary officers for the Rye School District in accordance with the statutor procedure adopted by said District at its March, 1962 annual meeting, to wit:
 - a. To choose a Moderator for the Rye School District for the ensuing year.
 - b. To choose a Clerk for the Rye School District for the ensuing year.
 - c. To choose a member of the Rye School Board for the ensuing year.
 - d. To choose a Treasurer for the Rye School District for the ensuing year.
3. To see if the Town of Rye will vote to continue the Municipal Court as provided in RSA 502-A:35 as inserted by the laws of 1963, Chapter 331.
4. On petition of Esther W. Parsons, to see if the town will vote to rezone from single residence to commercial district a parcel of land on Washington Road owned by the petitioner and described

as follows:

All that certain tract or parcel of land situated in said Rye, New Hampshire and lying on the southeasterly side of Washington Road, and generally situated between land of Donna Berry on the north and other land of Esther W. Parsons on the south, and more particularly bounded and described as follows:

Beginning in the southeasterly line of Washington Road, at a point where an old stone wall situated on the northerly side of the house and barn of Esther W. Parsons does or would intersect with said road line; thence running southeasterly along the line of said old stone wall and line extended thereof 150.0 feet to a point; thence turning and running on a line more to the south of east on a line extended from said last described point to the point of junction of two old stone walls a distance of 395 feet, more or less, to a point situated on a line which is parallel to and 50.0 feet measured on a perpendicular northwesterly of the line of a certain old stone wall on land of Esther W. Parsons which runs generally north and south; thence turning and running northerly on such line parallel to said stone wall and 50.0 feet northwesterly thereof a distance of 140 feet more or less, to a point in another stone wall; thence continuing on an extension of said line parallel to said stone wall a distance of 125 feet, more or less to a point in another stone wall at other land of said Esther W. Parsons; thence turning and running northwesterly along the line of said stone wall and other land of Esther W. Parsons a distance of 340 feet, more or less, to a point in said stonewall determined by extending a line parallel to and measured 50.0 feet perpendicular from the southerly line of Donna Berry; thence turning and running somewhat more to the west of north on a line parallel to and measured on a perpendicular from and 50.0 feet distance from the southerly line of land of Donna Berry, a distance of 190 feet, more or less, to the southeasterly line of Washington Road, said point being 50 feet, more or less, southwesterly of the southwesterly corner of land of said Donna Berry; thence turning and running southwesterly along the southwesterly side line of said Washington Road 310 feet more or less, to the point of beginning. Containing four acres, more or less.

This petition was approved by the Planning Board after two public hearings were held thereon on dates of January 3, 1964 and January 20, 1964.

The following subjects will be voted upon at the business meeting which will be held at eight o'clock P. M.

5. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

6. To see if the Town will authorize the Selectmen to hire money from the Trustees of Trust Funds.

7. To see if the Town will authorize the Selectmen to hire money in anticipation of taxes.

8. To see if the Town will vote to allow five percent discount on all property taxes on or before October 1, 1964.

9. To see if the Town will vote to authorize the prepayment of taxes and authorize the Tax Collector to accept payments in prepayment of taxes, in accordance with the provisions of RSA 80:52-a as inserted by Laws 1963, chapter 36.

10. To see if the Town will vote to allow the full time employees of the Town two weeks annual vacation with pay instead of the one week they now receive.

11. To see if the Town will vote to authorize the Selectmen to lease from the owners, for the sum of one dollar, a section of beach frontage located at Rye Beach, between the property of Carroll J. Brown at the north end and the property of Annie Schlott (formerly Sawyers Bath Houses) at the south end. Said beach frontage to be restricted to the exclusive use of the Tax Payers of Rye and their guests for a minimum fee, and that the Selectmen also be authorized to make whatever rules and regulations necessary to insure the proper control of the area and that the Rye Police Department be authorized to enforce such rules and regulations.

12. To see if the Town will vote to authorize the Selectmen to appoint a committee to investigate and make a report with recommendations for the next annual Town Meeting as to the desirability of the Town of Rye acquiring other beach frontage within the Town for the exclusive use of the Tax Payers of Rye.

13. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 for the establishment of an aeronautical fund as provided by RSA 423:6.

14. If the previous article is passed in the affirmative, to see if the Town will vote to transfer from the aeronautical fund to the New Hampshire Aeronautics Commission the sum of \$3,000.00 for the purposes authorized by RSA 423:7 and RSA 423:8.

15. To see if the Town will vote to raise and appropriate the sum of Twenty thousand (\$20,000.00) dollars for the pur-

pose of the acquisition of a refuse burner, a suitable site for the same, and a tractor loader, prepare the site, erect equipment and place the burner in operation to replace the present system of open burning of refuse at the town dump, and further to authorize the Selectmen to issue serial notes and/or bonds upon the credit of the Town in accordance with the provisions of the Municipal Finance Act, RSA chapter 33 and any amendments thereto.

16. To see if the Town will vote to amend Section 3 of the Ordinance adopted March 1945 Town Meeting, having been inserted in the warrant for said meeting by petition which reads as follows:

"1. No person having the custody of any vehicle shall stop or cause the same to stop, or park all night, not more than one hour, between the hours of midnight and eight A. M. from November 1st to April 15th, on any public street or highway in the Town of Rye.

2. Any person who violates the provisions of Section 1 of this ordinance shall be guilty of a misdemeanor and upon conviction shall be fined not more than ten dollars.

3. The Chief of Police, Selectmen or Highway Agent may cause any vehicle parked in violation to Section 1 of this ordinance to be removed from the street or highway and stored in a suitable place. The reasonable cost of towing and storage shall be a lien on the vehicle, and shall be paid to the Town Clerk for the use of the Town, in order to redeem the vehicle in question. This ordinance shall take effect on November 1, 1945".

by striking out Section 3 and inserting in place thereof a new Section 3 so that the ordinance will read as follows: An ordinance to prohibit all night parking during certain months:

1. No person having the custody or control of any vehicle shall stop or cause the same to stop, or park all night, not more than one hour, between the hours of midnight and eight A. M. from November 1st to April 15th, on any public street or highway in the Town of Rye.

2. Any person who violates the provisions of Section 1 of this ordinance shall be guilty of a misdemeanor and upon conviction shall be fined not more than ten dollars.

3. The Chief of Police, or any officer of the Rye Police Department, may cause any vehicle parked in violation to Section 1 of this ordinance to be removed from the street or highway. This ordinance shall take effect on its passage.

17. To transact any other business that may legally come before this meeting.

Polls will not be close before six o'clock P. M.

Business meeting at eight o'clock P. M.

Given under our hands and seal, this twenty first day of February in the year of our Lord nineteen hundred and sixty-four.

Selectmen's Report

To The Inhabitants of Rye, New Hampshire:

In compliance with the favorable action taken at the Town Meeting of last March in regards to the Town of Rye acquiring the land at the so called Rye Harbor Reservation from the State of New Hampshire, your Selectmen, after many conferences and communications and some trips to Concord, have within the past few days been assured that we will shortly be in receipt of the signed deeds to about one half of the property. This will be the high ground between the marsh and the cemetery and other privately owned land at Rye Center. A great deal of thanks are due to your local State Representatives, Mrs. Elizabeth A. Greene and Mr. Maynard L. Young, Jr. for submitting the proper legislation and getting the approval of the State Legislature. Many thanks are also due to your Governor's Councilor from this District, Mr. Fred W. Hall, Jr. of Rochester for his interest, wise counseling and sustained efforts in seeing that the authorization of the Legislature was finally enacted.

In regards to the property map that was authorized to be made, your Selectmen contracted with the Civil Engineering Firm of Arthur N. Parmenter of Shrewsbury, Massachusetts to do this work. This project is progressing very well and will be completed sometime this summer.

This year there will be two items on the printed ballot for you to vote on in accordance with legislation that was passed by the last session of the State Legislature.

1. It will be necessary to vote whether or not to continue our present Municipal Court. It seems that the courts in the cities and larger towns would like our business even though it would take more of our officials' time and cost us more money than it does now. It would seem that in the interest of the economy of the Town a vote to continue our Municipal Court would be in order.

2. It is now compulsory to vote on any changes to our zoning regulations by printed ballot at our Town

Meetings after Public Hearings have been held in regard to the proposed changes. The proposed change, this year, involves a tract of land across the road opposite the Junior High School to be zoned commercial instead of residential so that a bank can be built on the property. A favorable vote would be in keeping with the recommendations of the Planning Consultants who are preparing a long range planning for the Town and suggest that we keep the central area of our town as a Typical New England Village District.

We wish to take this opportunity to pay our respects to Miss Agnes M. Brown, whose death on March 10, 1963 brought an end to a long, faithful and dedicated service to the Town of Rye. She had served as Town and School Treasurer for a great many years and at the time of her passing was Treasurer of the Trust Funds.

We wish to call attention to and to offer our thanks to the Rye Veterans of Foreign Wars Post for the excellent Memorial Day services and parade that they conducted for the people of Rye.

We wish to thank the ladies of the R.V.F.D. Auxiliary for the fine manner in which they served the meals to the election officials for the 1963 town meeting and at the joint meeting with Hampton Beach officials and the Seacoast Legislative committee of the State Legislature.

Again we wish to emphasize that if all property owners would fill out their property inventory forms in detail as required by the Laws of the State of New Hampshire it would simplify the job of making the proper assessment of their properties.

The Board of Selectmen hold public meetings the first Monday of each month for your convenience and at other times by appointment.

Respectfully submitted,

ROBERT B. GOSS,
RALPH F. HAMMOND,
EDWARD L. GREENE,
Selectmen.

NORMAN L. JENNESS,

Tax Collector

Highway Agent's Report

This year our roads have again been subjected to almost continuous use by large trucks hauling gravel and rocks to the State project at Wallis Sands. It took some time to divert this travel from the Town roads to the State roads which were constructed to carry heavier loads. We realize that all this trucking cannot be confined to State roads but also feel it is to the Town's benefit when they do. Unless they start hauling again when the frost begins to come out very little damage will have been done. It is surprising how well our roads handle these loads.

The extension of the pipeline for the improvement of the Rye Water District caused some inconvenience to the people and some damage to the highway. It had been the hope of myself and the contractor that repairing this could have been done before winter. The early rains being heavier than usual after a long dry spell saturated the fill to a point where it would have been unwise to have tried to resurface the sides of the road where the ditches were dug. In the spring when the ground has settled the work can be done.

We are still plagued with drainage problems with more arising every year. There are two areas near Lang's Corner that should be taken care of in the near future. This was the reason we stopped our paving before we got to this area. It was felt that the rest of this years paving should go south of Rye Center where the base was firmer. The problems of drainage is something our long range planners should take an extra interest in. I approached the State Highway Dept. with hopes we would get their permission to run a pipeline on the side of the State road for the drain from the Gray Court area but according to their plans they didn't think it could be done and refused to give their permission. By the time they let us know it was too late for the Selectmen to get easements from the many property owners between Gray Court and Cable Road. The people should realize the Town must have some kind of legal agreement with property owners before installing drains in new locations.

I would like to take this opportunity to warn the people that it is illegal to push or throw snow from your driveways into the highway in such a manner as to cause a hazard upon the highway. You may be brought to court and you could be held responsible for damages should an accident be caused by the hazard.

CHARLES P. GORDON,
Highway Agent.

		<i>Highway Agent.</i>

Fire Chief's Report

To the Citizens of Rye:

The past year saw your Fire Department answering more calls than usual resulting in a great many more man hours than we had anticipated. However we are fortunate in the response we get from our call men. With some on day and some on night shifts it usually puts someone within our call. The men of the Highway Dept. are also available and have been to several fires this year.

Because of the long dry spell this year there were times when the wind was strong we felt that extra help should be in the station for immediate use if a fire broke out. At these times some of our call men stayed at the station. While we were fortunate in not having much trouble in Rye there were times when we sent men to other towns under our mutual agreement.

Although we had more calls this year I feel our losses have been low. If fires are reported as soon as they are discovered the chances of big fires are greatly lessened. Always

call your Fire Department first then do what you can. By all means be careful, do not enter a smoke filled house if you can keep from doing so. Never open doors and windows until the Fire Dept. is there, then when they are ready let them handle it.

This year we have installed some alerting devices in the homes of several of our firemen. The results have been very good with call men sometimes arriving before the fire truck. This system handled by another man in the station or the man on the truck going to the fire through his radio can let the men know whose house to go to. Our horn system while still in use and a very important part of our alarm system could not pin point the fire locations and much valuable time was lost in getting to the fires. We feel that more of these alerting devices should be purchased this year.

Our training program with the area instructor was late starting and as part of the training was to be held outside, it will be completed next spring. Several of our men went to the fire school at Fitzwilliam, N. H. sponsored by the New Hampshire Fire Chiefs' Club where they are trained under actual fire conditions.

Again I want to thank all those who have assisted the Fire Department in any way in the service we render the Town.

Your Fire Department answered eighty-eight calls during the year 1963 as follows:

1 tree fire, 1 mattress fire, 1 electrical fire, 2 trash fires, 2 brush dump fires, 1 portable engine fire, 1 electric range fire, 4 road side fires, 7 brush fires, 4 false alarms, 1 house trailer fire, 14 grass fires, 1 call to check fuel oil smell, 2 slash fires, 6 chimney fires, 3 flooded oil burner fires, 10 rubbish dump fires, 10 car fires, 5 building fires, check out smoke coming up in the area, 4 calls.

This department answered 8 mutual aid calls as follows: 3 to Portsmouth, 2 to North Hampton, and 1 each to Greenland, Seabrook and Kensington.

There were 9 members of the department that attended the N. H. State Fire School at Fitzwilliams, N. H. where there were classes in actual fire fighting of buildings and oil fires, operation of forestry equipment, smoke mask drill and demonstrations of new equipment .

The department used 2200 ft. 2½" hose, 3350 ft. 1½" hose, 2750 ft. forestry hose and 2900 ft. booster hose.

We had standby crews in the station 5 times during the year due to the extreme drouth and wind condition and also when the water main broke. Portsmouth responded to 5 Rye fires and Greenland 1.

CHARLES P. GORDON,
Fire Chief.

Report of the Fire Warden and Your District Chief

During the past year New Hampshire faced the greatest forest fire threat to its woodlands in more than sixty years. The continued drought brought home to our citizens, as never before, the potential threat of destructive fires to their beautiful and valuable forests, homes and livelihoods. In true American tradition of meeting a common threat by volunteer effort, this fire danger was minimized by active prevention, patrol and a relinquishing of personal rights for the common good. It was the greatest demonstration of public cooperation ever experienced by those responsible for local and state fire control. The ready forces of volunteer fire services kept the losses low. For their effort and public response the general fire service expresses its heartfelt thanks for a job well done.

Prevention however, is not just an activity for the bad fire years. It must be practiced until it becomes a part of our public conscience—a habit. Just plain carelessness with fire causes too many of our fires.

The following practices and suggestions will help:

1. Always have a permit for outdoor burning and burn within the terms of the permit and in a safe place. Burn late in the afternoon when the wind is down or on rainy or damp days. Check your fire and if winds develop extinguish it promptly.
2. Carry your rubbish to the public dump—its safer. A neglected backyard incinerator causes many fires.
3. Never discard a lighted cigarette or match. Make this a year round habit regardless of the safety of your surroundings.
4. Children-caused fires are now a major concern. Keep matches away from them and teach them to respect fire and not make it a subject of play.

Lets all join with "Smokey the Bear" and "Keep New Hampshire Green" and growing in 1964.

for the Town of Rye.*

Municipal Court

During the past year, 461 cases were brought before the court and again, there were no serious crimes against persons or property in Rye.

Of the 461 cases handled by the court, 7 cases were felonies and the remainder were misdemeanors. The large majority, 330 cases, of the misdemeanors were motor vehicle violations. The rest were violations of the Fish and Game laws, Town Ordinances, Beer in Possession of Minors and Stop Signs.

The cases brought before the court were filed by local and state law enforcement agencies. The majority of the cases were brought by our local police department.

It should be reported also, that due to the interest and cooperation of the Board of Selectmen and other interested persons, the Rye Municipal Court room has been completely remodeled. For this and all the other interest shown, the court wishes to express its appreciation.

With the remodeling of the court room, the town has complied with the suggestions of the Administrative Committee and the laws of the State of New Hampshire governing Municipal Courts.

The 1963 legislature enacted RSA Chapter 502-A providing for a "District Court" system. Continuance of the Rye Municipal Court will be voted on at Town Meet-

ing. The following question will be on the ballot: Shall the Town of Rye continue to maintain its existing municipal court so long as its present judge remains in office?

Respectfully submitted,

CHRISTOPHER S. CHRISTO
Clerk

Rye Police Department

TO THE CITIZENS OF RYE:

I wish to express my appreciation to everyone who assisted this department during the past year.

Cooperation is needed to make any department function properly and keep our town a decent place to live in. A clean and decent community is not the sole responsibility of the law enforcement agency but also involves the parents, the churches, the schools and the local government.

Law enforcement is a twenty-four hour a day job.

This department is in great need of room to work in, keep its records, store its equipment and a place where you can come to and discuss your problems in privacy. Security of information is a big problem under the present set up.

The following is a list of offenses and miscellaneous items that were handled by this department during the year:

COURT CASES

Criminal:

Selling Fireworks Without License	1
Selling Beer to Minors	1
Giving False Information	
to a Police Officer	2
Drunk	1
Giving Beer or Liquor to Minors	2
Minors with Liquor or Beer	
in Their Possession	18
Town Ordinance Violations	3
Rubbish in a Public Place	1
Rubbish on Highway	10
Larceny (Under \$50.00)	1

Motor Vehicles:

Driving While Intoxicated	4
Leaving the Scene of an Accident	1

Misuse of Plates	3
Operating After Suspension or Revocation	2
Operating Uninspected Vehicle	4
Operating Unregistered Vehicle	6
Operating Without a License	9
Solid Line Violations	56
Speeding	64
Stop Sign Violations	73
Failing to Stop for a School Bus	1
Muffler Violations	5
Operating Without Lights After Dark	1
Operating to Endanger	5
Failing to Keep to the Right of Highway	1
Failing to Produce License and Registration	1
Reckless Operation of a Motor Vehicle	1
Total Criminal and Motor Vehicle	277
<i>Miscellaneous:</i>	
Juvenile	10

Health Officer's Report

One case of German measles was the only case of communicable diseases reported to the local health officer during the past year. More cases probably existed but were not reported to the local health officer. However, there was no epidemic of any kind.

Garbage disposal and overflowing septic tanks were the main concern of the Health Officer during the past year.

Respectfully submitted,

WALTER M. ANDERSON, M.D.
Health Officer

Planning Board

The Rye Planning Board had numerous meetings with the Northeast Planning Associates for a projected study of a master plan for the Town of Rye. This includes a new zoning map, schools, Police and Fire Departments, Library, streets, water sewers, drains, town dump and etc.

This study will be complete the later part of March 1964.

VICTOR H. BOUTILIER,
Chairman.

Report of the Board of Adjustment

Under the chairmanship of Channing H. Greene the Rye Board of Adjustment in 1963 conducted nine public hearings of Applications for Variances from the Zoning Ordinance. Five of the petitions were approved and four were disapproved.

Respectfully submitted,

GERALD F. GILES,
Clerk.

Report of Library Trustees

Library service continues to grow with increased circulation and special attention to the needs of our junior citizens.

The installation of a telephone for the use of the staff has proved of value. This was one of the improvements recommended in the study of the library done last year by the State Library.

A dehumidifier was purchased last spring to combat the dampness in the cellar where reference magazines, because of lack of space elsewhere, have to be stored. Repairs to the slate roof were made during the summer. An addition to the reference bookcase in the reading room and new shelves plus magazine racks for the children's section have utilized all available wall space.

We gratefully acknowledge the many gifts of magazines and books and the gift of ten dollars for books, from the Every Other Tuesday Club. Mr. Carroll W. Brown presented a set of gardening books in memory of Miss Edna O. Brown and also a picture of Daniel Webster in memory of Miss Agnes Brown. Of special interest is the gift of a genealogy of the Drake family given by Mrs. Albert Fagan of New Castle. Mrs. William Y. Brown gave a picture of John Quincy Adams in memory of Colonel William Y. Brown.

A puppet show was offered by the Rye Puppeteers in celebration of Book Week to the pre school and first grade children. For six weeks in the spring a series of exhibits from the Audubon Society material was on display. These exhibits were presented by Miss Hope Wright and dealt with the education in, conservation of and control of wild life.

A complete revision of our cataloging system is an imperative need, recommended by the State Library survey and for this we are requesting a special appropriation in our budget.

We stress again the real and growing need for an addition to the building which we presented in detail two years ago. Without it we cannot begin to reach the standards for library services required by this growing town. We realize that the long range study being done this year for the town is necessarily giving priority to other town and school needs but, once these have been met, we strongly urge that the town move to give the library the means to become of full use to its citizens.

We quote from the State Library Commission survey "A library is not just a repository for books but a dynamic educational institution, satisfying the diverse needs of a community."

Respectfully submitted,

HELEN J. PHILBRICK,
FRANCIS W. SYKES,
ELIZABETH A. GREENE,
Trustees.

Librarian's Report

In spite of the inadequacy of the physical facilities at the Rye Library, patronage continues to increase each year. During 1963, circulation again soared to a new high of 29,252 books, an increase of 2,766 over that of the previous year. Of the total books circulated, 11,599 were children's' books, 10,935 adult fiction and 6,718 adult non-fiction.

As noted in previous reports, circulation figures alone do not give an accurate picture of library service in Rye. Reference work each year becomes more important and more challenging to the library staff. Our reading room is often filled to capacity by students working on term papers and other projects which require much research and use of reference material. Although we feel that we have available a reasonably good selection of general reference books, we find it necessary to send almost daily to

the New Hampshire State Library for additional material for these young researchers. Our reference volumes are supplemented by many current magazines as well as by back numbered magazines, which are indexed in the Reader's Guide to Periodical Literature, and are now kept on file in the basement. These are a source of much information and are used a great deal.

During 1963, 717 books were added to the shelves. Of these, 545 were purchased from town and trust funds, 84 from fine money and 88 were gifts from interested friends. In order to supplement our own supply, we have borrowed 827 books from the State Bookmobile, which makes bi-monthly visits to the Rye Library. We have also borrowed 222 books directly from the State Library in Concord in answer to specific requests for special material.

In order to make room on our shelves for new books, constant weeding and discarding is necessary, but this alone cannot solve the problem. More space is desperately needed—particularly for the children who, this year, were responsible for well over one third of our circulation. This section of the library is really in a deplorable state. Several new book shelves and magazine racks were ingeniously added to old shelves and they have helped. However, these are now filled to overflowing and there is absolutely no space for any additional shelving in this area. On the lower grade shelves books are constantly being damaged because of the lack of room for proper display and handling.

Each year we endeavor to add to our reference collection by the purchase of several new and worthwhile volumes. The all new 3rd edition of the Columbia Encyclopedia, the centennial edition of the Stateman's Yearbook, and the Reader's Encyclopedia of American Literature were newly acquired in 1963.

In April, National Library Week was again observed at the Rye Library by the presentation of a puppet show by the Rye Puppeteers. This was enthusiastically enjoyed

by a large group of pre-school and first grade youngsters, who were also invited to look over a fine selection of new children's books.

We were privileged during May to have three attractive and informative exhibits showing various phases of the work of the Audubon Society. These displays were prepared by Miss Hope Wright and stimulated much interest among children and grownups alike. In connection with the exhibit a number of children participated in a bird coloring contest.

During Education Week this fall, Mr. Giard, Principal of the Rye Schools, had on display at the Rye Library a number of the new mathematics books now in use in our schools. Another exhibit of interest was that loaned by Mr. William M. Varrell, Jr., author of the popular *Rye on the Rocks*. This consisted of many photographs of old Rye which Mr. Varrell had painstakingly acquired during the writing of his book. Exhibits similar to these are always a source of interest to those who visit the library and, if not too space consuming, are welcomed by the library staff.

Recataloging of the library collection has not progressed to any great extent due to the pressure of daily library work and the lack of help. We realize that this need is great and have appealed to the State Library for help and suggestions regarding such a project. A task as time consuming and difficult as this will necessitate the hiring of extra help and the purchase of materials.

The installation of a telephone has proved to be a great convenience to library patrons and staff. It is now possible for patrons to renew books by phone and to solicit certain types of information. The librarians may telephone regarding overdue books and books held on reserve.

We would like to express here our sincere appreciation and thanks to all those interested persons and organizations who have generously contributed books, magazines and money to the Rye Library. Space does not

permit us to list all such gifts, but we would like to mention a few of special merit. Mr. and Mrs. William B. Daniell, Mrs. Raelene White, and Mr. Carroll Brown have regularly contributed many worthwhile, current magazines. Mr. and Mrs. Daniell also gave a large number of especially fine books and two framed charcoal drawings by Tasha Tudor, which we hope some day to hang in a new children's room. Mr. Brown presented the 14 volume *New Illustrated Encyclopedia of Gardening* in memory of Miss Edna Brown. Mr. and Mrs. John L. Parsons gave money with which to purchase, as they are published, volumes of the new and excellent *Life Nature Library*. Mrs. Parsons also gave money for the purchase of four new library bound Girl Scout Handbooks. Recently, Mrs. Albert Fagan of New Castle presented a very handsome copy of the genealogy of the Drake family of New Hampshire.

We were saddened this year by the death of Mr. Samuel H. Allen who over a period of many years had been an interested and generous contributor to the Rye Library.

We greatly appreciate the services of our new Assistant Librarian, Mrs. Clark H. Leach. She is efficient and helpful and during her first year of service has made many friends. We are also grateful for the continued help of Miss Marjorie Chapman and that of several volunteer high school girls. We look forward to another busy year.

Respectfully submitted,

HELEN H. TREFETHEN,
Librarian.

Rye Ambulance Corps, Inc.

Calendar year 1963 has seen the successful completion of the Corps' second year of service to the people of Rye. 534 families subscribed to the ambulance service and 119 calls for assistance were answered. These calls included trips to the following hospitals:

Portsmouth Hospital	100
U. S. Naval Hospital	4
Concord State Hospital	1
Tri-County Osteopathic Hospital	1
Manchester Veterans Hospital	1
Exeter Hospital	6
Rockingham County Home and Hospital	2
Deaconness Hospital, Boston	2
Mary Hitchcock Hospital, Hanover	1
MacLean Hospital, Belmont, Mass.	1

This past year has also seen the procurement of a 1960 model ambulance to replace the 1954 model vehicle which was irreparably damaged on the night of 15 September. As a result of this accident an Ambulance Fund Committee was appointed with Mr. Maynard Young, Jr. as Chairman and sufficient monies were raised through popular subscription to purchase the new ambulance. The entire Corps would like to take this opportunity to ex-

tend our deepest and most heartfelt thanks to the residents of Rye who received Mr. Young and his committee so kindly and generously.

The membership of the Corps was further enhanced this year when Dr. William Bradley joined and accepted a post as a Deputy Commander.

At the present a Red Cross First Aid Course is being conducted by Dr. Sidney Baker, Commander and Dr. Isaac Katz and Dr. William Bradley. This course is being attended by 15 residents of Rye in addition to the entire membership of the Ambulance Corps. Successful completion of this course will result in the awarding of American Red Cross Advanced First Aid Cards.

Once again it is our privilege to publicly thank the Police Department secretary and "Dick" Eaton, "Ed" Bromfield and "Len" Brown of the Fire Department for their invaluable assistance in the handling of telephone calls for assistance and the calling out of the ambulance crews.

Respectfully submitted,

JAMES N. McMAHON,
President, Rye Ambulance Corps, Inc.

Cemetery Trustees.

Report of Trustees of Trust Funds

It is with deep regret that the Trustees of Trust Funds record the death, on March 10, 1963, of Miss Agnes M. Brown who was a member of the committee continuously since her election in 1932. With diligence and devotion, Miss Brown served as clerk and treasurer for most of this period.

During 1963, twelve trust funds, totalling \$1,700, were established for the perpetual care of cemetery lots. It is hoped that before long all lots in Central Cemetery will be under perpetual care. Owners of lots without trust funds should consider the desirability of creating a fund for perpetual care.

During the year, the Division of Municipal Accounting of the State of N. H. Tax Commission made an examination and audit of the accounts for the fiscal year ended Dec. 31, 1962. The following recommendations were made by the Division: (1) the several common trust funds should be combined into one common trust fund to include all library and perpetual care cemetery funds, and (2) new accounting records should be established to reflect adequately all financial transactions both as to principal and income. Accounting forms, suggested by the Division, are already in use.

The Trust Funds are divided into three groups consisting of:

	<i>Principal</i>
Perpetual Care Cemetery Funds	\$ 52,739.11
Library Funds	24,775.48
Dalton Cemetery Fund	65,035.18
Total	<hr/> \$142,549.77

Respectfully submitted,

JOHN L. PARSONS,
RALPH W. EATON,
MELVIN R. LOW,

Trustees of Trust Funds.
